

**Talk by Dr Hillary Ash, Honorary Conservation Officer for Wirral Wildlife**

**Wednesday, 11<sup>th</sup> May 2022 at 2pm**

**Willington Hall Hotel, Willington, Tarporley, CW6 0NB**

Join us at the beautiful Country House Hotel of Willington Hall in the Richmond Suite for a brief AGM we will then listen to a talk from Dr Hilary Ash on the importance of wildlife protection and the role of nature recovery.

Dr Ash has lived in Bromborough on the Wirral since the early 1980s, having read Botany at the University of Oxford before completing a PhD at the University of Liverpool. Her initial research project was an investigation into the way that native plants grow on industrial waste sites, and she has brought that expertise to her role as Honorary Conservation Officer for Wirral Wildlife, as well as in her professional career as a botanist carrying out surveys, creating management plans, and working on habitat creation in urban areas.

You are then invited to join us for tea and cake, and perhaps a stroll in the lovely hotel gardens.

Please join us for what promises to be a fascinating afternoon.

The afternoon costs **£8.25 per person** which includes the delicious tea/coffee and cake, or FREE if you don't wish to stay for refreshments.
